MOUNTAIN VIEWS

FIVE ADDITIONS to the 2013 list are mountain venues. Gozzer Ranch Golf & Lake Club, the highest-ranked newcomer at No. 27, sits atop a plateau overlooking the azure waters of Lake Coeur d'Alene in Idaho. A 2007 Tom Fazio design, its holes skirt along

escarpments and around basalt rock formations, with bunkers a bit more ragged around the edges than found on a typical Fazio layout. Here's a little irony: Gozzer's prime competition is at No. 58, The Golf Club at Black Rock, on the other shoreline of Lake Coeur d'Alene.
